**BACON | SUMMER SAUSAGE | SNACKS**  
*And More!*

Dear Store Manager,

I love shopping here, but you are lacking a product that I absolutely **MUST** have. Cloverdale makes the most delicious premium pork products and you don't stock one of my Cloverdale favorites in your stores. Would you mind routing my request to your buyers? Pretty please, with bacon bits on top?

Please contact Cloverdale Foods to inquire about how to order Cloverdale products at [sales@cloverdalefoods.com](mailto:sales@cloverdalefoods.com) or 1-800-669-9511. Their products are available through several distributors or through the company directly.

Thank you for helping me with my serious bacon/sausage/ham/meat snacks obsession.

Your loyal customer,

**I'M ESPECIALLY INTERESTED IN**

- BACON
- SUMMER SAUSAGE
- FRANKS & SAUSAGE
- HAM
- SLICED DELI MEATS
- SMOKIES & BOLOGNA
- TANGY SNACKERS™
